

### **SERVICE PARTS LIST**

# BULLETIN NO. PN0006853

SPECIFY CATALOG NO. AND SERIAL NO. WHEN ORDERING PARTS				REVISED BULLETIN	
MX FUEL™ Backpack Blower				WIDING INCTDI	Aug. 2025
CATALOG NO.	MXF600	SERIAL NO.	P31A	See Pages 4-5	

Only maintenance, service, repairs, and replacements of parts as defined in the Operator's Manual can be performed by the user.

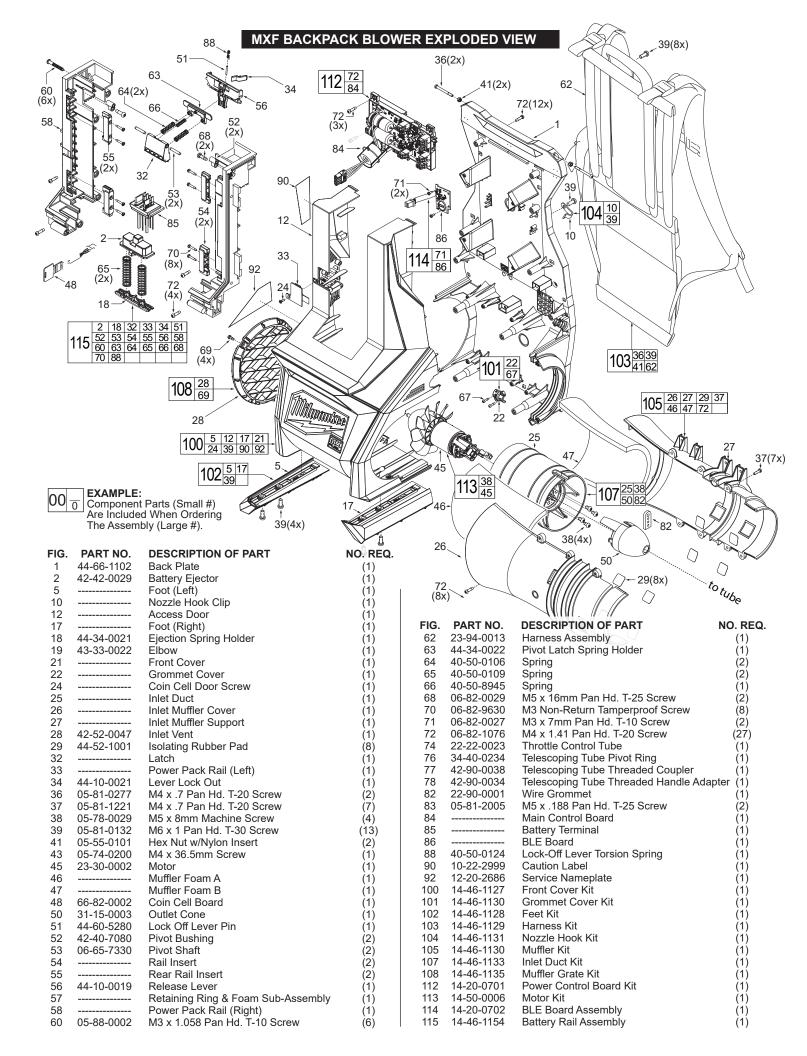

All other repairs are to ONLY be performed by personnel authorized by MILWAUKEE TOOL. Do not attempt to install other parts; this COULD void your tool warranty.

# For service, parts, or inquiries, contact us:

- Customer Service at 1.800.SAWDUST (1.800.729.3878)
- E-Service tool repair at: www.milwaukeetool.com/e-service
- Find a local authorized MILWAUKEE service location at Milwaukeetool.com
- Find a MILWAUKEE *factory* Service Center Location or MILWAUKEE *factory* Central Repair Center at Milwaukeetool.com. Send the following, posted paid and insured:
  - Your name, address, and phone number
  - Description of the issues
  - · Copy of the proof of purchase
  - Tool, charger, and batteries involved with the issues

# **FIG.** 80,81

A clean, dry surface is essential for proper performance for any adhesive system. The area intended for application of any adhesive label or nameplate must be prepared by cleaning with isopropyl alcohol. The solvent is to be applied with a clean, lint free applicator and the surface allowed to dry before applying any label or nameplate.
